

Hand Hygiene and Biomedical Waste Management

Training Programme on Hand Hygiene and Biomedical Waste Management (BMW) is being organised by Department of Medical Education in Month of May. First group trained were all Faculty Members and Senior Residents of our Institute from 01 May 2017 to 04 May 2017 between 2:00 PM – 4:15 PM in Medical Education Hall.

Resource faculty for Training programme were from Department of Microbiology and College of Nursing AIIMS Rishikesh.

This was an interactive teaching session on Hand Hygiene and Bio Medical Waste Management which were dealt by Dr. Pratima Gupta, Prof. & Head and Dr. Puneet Kumar Gupta, Department of Microbiology who were assisted by Mrs Vasantha Kalyani, Mrs Rupinder Deol Assistant Professor, College of Nursing. At the end of session, participants were assessed by Post-test with MCQ evaluation and OSPE. Faculty and Senior Residents who attended training programme expressed that methods used for training and assessing were appropriate and sessions were informative.
