

## **Workshop on ‘Skill enhancement for effective digital presentation’**

A hands on workshop was conducted by Medical Education Department for Faculty and Senior Residents of AIIMS Rishikesh on 12 May, 2017. The workshop emphasized on better use of PowerPoint for effective teaching.

Uttarakhand Medical Council credited the workshop with two CME hours. There were 47 participants and 5 resource persons including 2 external faculty (Dr Kuldeep Singh, Professor & Head Pediatrics, AIIMS Jodhpur and Dr Puneet Setia, Additional Professor of Forensic Medicine & toxicology, AIIMS Jodhpur) and 3 internal faculty (Dr Shalinee Rao, Additional Professor and Head, Department of Medical Education, AIIMS Rishikesh, Dr Neha Singh, Assistant Professor of Pathology, AIIMS Rishikesh and Dr Rajesh Kathrotia, Assistant Professor of Physiology, AIIMS Rishikesh).

The workshop was inaugurated by Dr Shobha Arora, Professor & Head, Department of Orthopedics and Dean (Examination). The session commenced with the assessment of power points of all the participants by self and peers with a checklist. In subsequent sessions each functionality of power point was demonstrated and same were applied by participants on their own power points. At the end a demonstration of next generation presentation module Prezi was done. The participants found the workshop to be very helpful and informative.
