(i) supplier shall not, without purchaser's prior written consent, disclose contract or any provision thereof including any specification, drawing, sample or any information furnished by or on behalf of purchaser in connection there with, to any person other than person(s) employed by supplier in performance of contract emanating from this TE document. Further, any such disclosure to any such employed person shall be made in confidence and only so far as necessary for purposes of such performance for this contract.

(ii) Further, supplier shall not, without purchaser's prior written consent, make use of any document or information mentioned in this tender except for sole purpose of performing this contract.

(iii) Except contract issued to supplier, each and every other document mentioned in tender shall remain property of purchaser and, if advised by purchaser, all copies of all such documents shall be returned to purchaser on completion of supplier's performance and obligations under this contract.

2. Patent Rights

(i) Supplier shall, at all times, indemnify and keep indemnified purchaser, free of cost, against all claims which may arise in respect of goods & services to be provided by supplier under contract for infringement of any intellectual property rights or any other right protected by patent, registration of designs or trademarks. In event of any such claim in respect of alleged breach of patent, registered designs, trademarks etc. being made against purchaser, purchaser shall notify supplier of same and supplier shall, at his own expenses take care of same for settlement without any liability to purchaser.

3. Country of Origin

(i) All goods and services to be supplied and provided for contract shall have origin in India or in countries with which Government of India has trade relations.

(ii) word "origin" incorporated in this clause means place from where goods are mined, cultivated, grown, manufactured, produced or processed or from where services are arranged.

(iii) country of origin may be specified in Price Schedule

4. Assignment

(i) Supplier shall not assign, either in whole or in part, its contractual duties, responsibilities and obligations to perform contract, except with Purchaser's prior written permission.

5. Sub Contracts

(i) Supplier shall notify Purchaser in writing of all sub contracts awarded under contract if not already specified in its tender. Such notification, in its original tender or later, shall not relieve Supplier from any of its liability or obligation under terms and conditions of contract.

(ii) Sub contract shall be only for bought out items and sub-assemblies.

(iii) Sub contracts shall also comply with provisions of “Country of Origin”.

6. Duty Free Clearance, Transportation, Forwarding & Handling Charges: Clearance charges at point of Entry / Air Port and on ward transportation charges with Insurance up to AIIMS, Rishikesh will be borne by supplier’s Indian Agent for which this Institute will not pay charges.

7. Demurrage Taxes & Octroi: No demurrage charges will be paid by Institute in case of delay on part of supplier. However, this Institute will provide all necessary documents required for clearance / transportation of goods and for exemption of taxes/octroi for which supplier/Indian agent will have to intimate/furnish his requisition of document required, if any, well in advance. Octroi will be payable by supplier / Indian agent, if required.

Note:

- 1) Above projected no. of tests is only average test load which can be increased or decreased, it is only for calculation and finalization of price bid of bidders.
- 2) All bidders must quote rate of all tabulated/tendered items/tools, otherwise price bid of bidder will not be considered for evaluation purpose.
- 3) So every bidder should quote rate of each tendered item, otherwise financial bid will not be considered and liable to be rejected.
- 4) All bidders must highlight cost of each test against name of each test in given format.
- 5) All Bidder's will have to quote reagent price which include cost of calibrator and control considering control of high, normal/low will run daily and calibrator will run as per requirement. But bidder has to provide free of cost including all type of cleaning solution for maintenance of machine, preventive maintenance kit (Tubing, Valve, Membrane, Plastic, Glassware etc.).
- 6) Buyer had to pay only cost of test reagents.
- 7) In other words, calibrator & controls/spares & accessories are required in routine or preventive maintenance will be provided free of cost by bidder and Blood collection and preparation material will given by hospital (i.e. Syringe, tubes, sprit and gauges etc.).
