## PROPRIETARY ARTICLE CERTIFICATE

It is certified that the items required for **Upgradation of operating microscope of neurosurgery, Pentero 900**, make Carl Zeiss required in the P-2 form should be purchased from M/s Carl Zeiss limited. To the best of my knowledge M/s. Carl Zeiss limited are the sole manufacturer/agents of the sole manufacturers

Similar items manufactured by other firm(s) shall not be suitable for our purpose for the following reasons:-

The microscope upgradation will require software + hardware upgradation (change of tube) of an existing functional equipment. Such changes can be made by the manufacturing company only and not by others.
