-Corrigendum-

With reference to an Intramural project "A study on the role of Proinflammatory cytokine gene polymorphism in cervical spondylitis cases"

An invitation for quotations for the list of items for procurement were uploaded on the website 29/07/2017 and last date of submission 29/07/2017. Three bidders (**USR SOLUTION, GREEN GENOME & NOVEL BIO SCIENTIFICS**) participated & sent their quotations. After preparation of comparative chart of three suppliers It was identified that:

- One of the bidder has not quoted majority of the items.
- Another bidder has quoted the primers of impure quality.
- The cost was also found large disparity among the bidders.

With all the above quoted facts It is recommended to reupload the invitation of the Quotations issue date on 11/11/2017 and last date of submission 21/11/2017 for the research projects of Department of Neurosurgery.
