PROPRIETARY CERTIFICATE FOR INSPI-MAX

PROPRIETARY CERTIFICATE

TO WHOMSOEVER IT MAY CONCERN

Sub.: Proprietary Certificate for INSPI-MAX Inspissators manufactured by Zenith Engineers.

We, **ZENITH ENGINEERS**, having our registered office at 4/5, Ram Babu Verma Marg, Civil Lines, Agra – 282002 have been manufacturing Inspissators indigenously; further that we are the only Indian manufacturer to have supplied Inspissators to different United Nations Development Programs (UN approved WHO labs) in different countries around the world. We hereby certify that the model INSPI-MAX is a proprietary item manufactured by Zenith Engineers:

- INSPI-MAX has been designed in collaboration with an ICMR institute - National JALMA Institute for Leprosy & Other Mycobacterial Diseases, Agra.
- INSPI-MAX has a loading capacity of up to 600 McCartney bottles in a single load.
- Bottles and tubes can be placed at angle from 5-10 degree adjustable.
- INSPI-MAX is controlled by a specially designed 32-bit micro controller circuit for optimum inspissation.

Regards,
For Zenith Engineers,

Shard Mahajan
Business Development Manager
