RISHIKESH "AN ABODE TO HEAVEN"

Rishikesh a small picturesque, mesmerizing town located in Dehradun district of the Indian state of Uttarakhand. Situated in the foothills of the Himalayas in northern India, it is known as the "Gateway to the Garhwal Himalayas" and "Yoga Capital of the World". It is one of the major tourist and pilgrimage hubs in northern India where people from across the world arrive in search of peace, meditation and solace.

The scenic beauty of Rishikesh is due to its location at the foothills of the lofty Garhwal Himalayas is accentuated by the mighty Ganges cutting right through the city. The picturesque city looks suspended between the stunning riverside promenades, acres of forests, lush mountains, and clear blue skies lending it a surreal appearance.

The city is synonymous with its grand temples, rituals, architectural marvels and yoga ashrams. Every temple here, be it the Neelkanth Mahadev Temple, Raghunath Temple, or the 13-storey Trimbakeshwar Temple, has its own beautiful legend that attracts people from all over the world. The twin Ram & Lakshman Jhulas are outstanding architectural feats in themselves. These suspension bridges span for over 750 ft. over the Ganges. There are numerous ashrams here that lead people into the spiritual world of ancient forms of yoga, meditation, and vipasana to cleanse their soul and de-stress.

Rishikesh has its share of offbeat and adventure activities too. If you are not enjoying the adrenaline rush of white water rafting available up to grade 6, you can spend time enjoying amazing experiences like cliff jumping, kayaking, body surfing, etc. There are picturesque waterfalls here like Patna fall and Neer Garhi fall, etc. that are perfect to escape into the raw wilderness of nature. If you are the spiritual kind, you can't miss attending the jaw-dropping spectacle of the Maha Aarti.
