presents

ENGENDERING MEDICAL EDUCATION

WHY THIS WORKSHOP?

- CBME Preamble states that future Indian Medical Graduate should be gender sensitive and promote patient-centred attitudes.
- WHO recognised gender as a crucial social determinant of health.
- National Health Policy (2017) recommends to review and revise the medical and nursing curricula for gender mainstreaming as an urgent need.
- SDG Goal 3 and 5: Health for all Gender Equality

KEY HIGHLIGHTS

- Case studies and exercises to understand real-life gender narratives/power structure stories.
- Engage in Difficult Dialogues with individuals with lived experiences.
- Participatory learning tools for on-field application.
- Hands-on experience in innovative pedagogy and much more.

Date: 24th & 25th March, 2025

Venue: AIIMS, Rishikesh
