

Brief Report of Clinical Training Workshop –Flexible Ureteroscopy organized at
AIIMS Rishikesh
14 October 2022.

The Department of Urology has organized live operative workshop & training programme on Flexible Ureterorenoscopy and Retrograde Intrarenal Surgery (RIRS) for management of kidney stones. This day-long programme on 14th October 2022 was supported by Cook vista education and training initiatives. Four cases of kidney stones were successfully managed during the workshop. The workshop was conducted by Dr. Vadi Chandra Mohan from Hyderabad. Basic aspects of instrumentation, case selection, tips & tricks of RIRS, recognition of intra operative problems and there management were aptly covered during the discussion. The focused workshop and interactive discussion with the faculty & expert was attendant by the all over M.Ch Urology students and Urologist from the state of Uttarakhand. This was highly beneficial for the students of Urology.

The effort of the department in organizing such theme oriented teaching & training programme was highly appreciated by Prof. Meenu Singh, Executive Director and Prof. Jaya Chaturvedi, Dean (Academics) AIIMS, Rishikesh Who felicitated the external expert Dr. Vadi Chandra Mohan.
