

**CME**

## **Patient Blood Management**

*Advancing from Product to Patient*

**11 July 2025**

**Department Transfusion Medicine**

**All India Institute of Medical Sciences  
Rishikesh, India**

- This CME themed **'Patient Blood Management - Advancing from Product to Patient'** will be held on 11 July, 2025 in Rishikesh, India. The event is being organised by the Department of Transfusion Medicine, AIIMS Rishikesh and supported by the prestigious International Society of Blood Transfusion (ISBT).
- The program will provide an overview of the topic Patient Blood Management, involving physicians, surgeons, obstetricians, anaesthesiologists, MD Residents, Senior Residents, and Transfusion Medicine Practitioners.
- The purpose of this event is to familiarize participants to the concept of PBM and share the speakers' experiences so that transfusion experts and clinicians may generate ideas while considering ways to implement this information in their everyday operations.

More Information related to the event, shall be available in due course of time
