We are authorized service provider for Canon photocopiers only and as per your bid one machine is of Toshiba in photocopier category, and also you have asked for the MAF, so we request you to kindly remove the same from the list or create a separate schedule for Toshiba photocopier.	Photocopier machine make Toshiba is deleted/removed from the list of Schedule-2. Now, Total no of photocopier machine is 37 of Make-Canon
Secondly the consumables for photocopier machine are Toner, Drum, Developer, Cleaning Blade & Fusing Sleeve and printer the print cartridges which cannot be included in the AMC contract	All parts and consumable are included in CAMC except Toner, Cartridge & papers
Also please confirm about the status of the machine whether they are in working condition or not and if not who will pay for services & spares.	All Machine and equipments are handed over as working conditioned
List & Quantity of stand by hardware details.	Stand by of photocopiers, printers & UPS are required as per requirement
MAF requirements: We understand the need for Canon brand MAFs, but request relaxation for other brands.	OEM Authorisation is required of OEM/Make of highest quantity mentioned in Schedule-1
UPS section: on bid Given multiple brands, obtaining MAFs from all is difficult. We kindly request considering MAFs for the highest quantity or a primary brand. like R s power or Uniline .	OEM Authorisation is required of OEM/Make of highest quantity mentioned in Schedule-3
All other terms & Conditions of the bids remain unchanged.
