

ALL INDIA INSTITUTE OF MEDICAL SCIENCES, RISHIKESH

Centre for Evidence Synthesis and Public Policy

“Centre for Evidence Synthesis and Public Policy” was inaugurated by Padamshree Prof. Samiran Nundy (President, AIIMS, Rishikesh) in Central Library Division, AIIMS, Rishikesh. Prof. Meenu Singh, Executive Director & CEO, AIIMS, Rishikesh, has taken an initiative for dedicated centre for Evidence Synthesis to enhance the health and wellbeing of individuals and populations through research and instruction in the fundamentals of evidence synthesis. The objective of this centre is to increase our understanding of how to develop effective public policy and improve the state of health care.

The centre for Evidence Synthesis and Public Policy will :

- Conduct systematic reviews and meta-analyses to assess specific medical problems or treatments
- Train others to conduct evidence synthesis
- Develop and refine evidence synthesis research methods and Public Policy
- Develop and maintain software to automate elements of the evidence synthesis processes

The centre will provide experiential learning and research opportunities to medical fraternity.
