Subject: **Your provisional eligibility under EWS category (MD in Radiodiagnosis) in compliance with order of Hon'ble High Court of Delhi in WP (Civil) #13395 of 2019.**

In continuance to previous correspondences, it is reiterated that you are required to get clear instruction/order from Hon'ble High Court regarding your admission against EWS category at AIIMS Rishikesh as your eligibility is still disputed & matter is pending for disposal before Hon'ble High Court of Delhi.

The dispute raised by you has wide implications as extension of validity date of eligibility certificate under EWS category may make several other persons eligible all over India and may also amount to irreversible damages to them, further followed by plethora of litigations.

It is most pertinent to mention that course in which you are provisionally admitted is time bound and last date for submission of Thesis Protocol is 4 months from start of course which is 15 June 2020 in your case. In absence of any clear instruction, your tenure is bound to be extended by a period of 6 months (with next batch) unless you are made ineligible by order of Hon'ble High Court of Delhi.
