## OFFICE MEMORANDUM

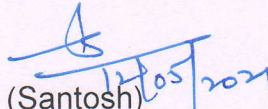

### **Subject : Isolation/Quarantine of Healthcare Workers – regarding**

In view of the current situation of COVID-19 leading to insufficient resources for contact tracing and shortages of staff, it has been decided to discontinue the risk assessment/contact tracing of exposed HCWs and quarantine of symptomatic contact. Only the symptomatic HCWs may be tested and only those testing positives be isolated and managed as per the clinical condition.

HCWs who test positive may be able to join work after 10 days period from the onset of symptoms, provided that they are afebrile for at least last 24 hours without the use of antipyretics and symptoms (e.g. cough, shortness of breath) have improved. Those who are asymptomatic may join work 10 days from the date of the first positive test report.

All Faculty Incharge/ Head of Departments/Dean/ Medical Superintendent/ Section are requested to kindly bring the above guideline/instruction to the notice of all faculty members/ Officers/ employees, under their control for strict compliance.

This issues with the approval of the Director, AIIMS Rishikesh.
