Office Order

All the healthcare workers (HCWs) including students are suggested to adhere to "COVID appropriate behaviour" or "Precautions for flu-like illness" in all areas of hospital and campus.

It is directed to use the mask (preferably N95) appropriately when indicated, maintain social distancing, practise hand-hygiene regularly, and avoid crowding of HCWs, patients and their attendants in all areas.

All HCWs, especially security staff should ensure to decongest the crowding of attendants and patients.

If you have a viral or flu-like illness symptoms, practice 100% "COVID appropriate behaviour" and treat yourself in consultation with family medicine OPD.
