**TO WHOM IT MAY CONCERN****PROPRIETARY ARTICLE CERTIFICATE**

We, Apollo Endosurgery, Inc. having our office at 1120 S. Capital of TX Hwy, Bldg. 1, Ste. 300, Austin, TX 78746, USA, as a leader in therapeutic endoscopy hereby pleased to confirm:

1. Overstitch, an Endoscopic Suturing System has a flexibility to deploy both running and interrupted stitches that allows to treat a wide range of indications
2. It is designed with a curved needle for controlled depth of suture placement
3. It enables the placement of durable, full thickness sutures
4. It allows deploying and reloading of sutures while maintaining direct visualization of the operative site for better control
5. It offers the knotless fixation design for faster and secured closure without the need to tie complex surgical knots

all of these features are in Overstitch Endoscopic Suturing System, being solely manufactured by us having factories / locations at 1120 S. Capital of TX Hwy, Bldg. 1, Ste. 300, Austin, TX 78746, USA. No company in the world is manufacturing such items as of now.
