The Director
All India Institute of Medical Sciences,
Rishikesh
Uttarakhand, 249203
India

Dear Sir,

Institutional Subscription of Turnitin iThenticate at Higher Education Institutions

At the outset, my team and I thank your institution for the intent to activate an institutional subscription of **Turnitin iThenticate**, a market-leading web-based, software-as-a-service similarity detection application that is used worldwide by leading publishers, academic and research institutions.

The fee payable by a Higher Education institution for an annual or multi-year institutional subscription of Turnitin iThenticate is system-determined by applying a volume-tiered fee per end-user to the total population of full-time faculty members/researchers/Ph.D. students/P.G. students across all its campuses that are required to use the application for any of the following purposes:

- checking their own draft/final papers/articles/reports/assignments for similarity
- submitting papers/articles/reports/assignments for checking by another licensed end-user in compliance of curriculum/course requirements for the award of degrees/certificates etc.
- evaluating submitted papers/articles/reports/assignments for similarity in compliance with the institution's academic & research integrity policy, pre-publication assessment, curriculum/course requirements, etc.
- collaborating with other licensed end-users in authoring papers/articles/reports/assignments that have to be evaluated for similarity before being submitted for publication

The Price quoted to your institution for an annual institutional subscription of Turnitin iThenticate for **1,252** end-users in its subscribing campus is **INR 750,000** plus GST for an annual subscription on one-time payment.

The volume-tiered end-user fee applicable for Higher Education institutions may change on an annual or bi-annual basis. **The price quoted here is not higher than that of other customers for similar product, volume, and circumstances.**

My team & I look forward to welcoming back the **All India Institute of Medical Sciences, Rishikesh** as a valued subscriber of Turnitin iThenticate.

Yours Sincerely,
For & on behalf of Turnitin India Pvt. Ltd.
