PROPRIETARY CERTIFICATE

To whom it may concern

This letter is to certify that ADInstruments Pty Ltd of Unit 13, 22 Lexington Drive Bella Vista NSW 2153 Australia is the manufacturer of the **PowerLab®** Data Acquisition System. The system is controlled by our proprietary real time operating system. The backbone of our system's architecture is based on the unique "POD technology*" developed by us.

No other company manufactures and provides the **PowerLab®** system, **LabChart®** Software and other related amplifiers and transducers.

Model no. FE231/CS Single Channel Bio-amplifier is fully compatible with existing PowerLab recorder, LabChart Software.

Note:- Log on to <http://www.adinstruments.com> for regular updated information.

PowerLab® systems are manufactured under a quality system certified as complying with ISO 9001:2000 quality management systems & conform to International Safety standards. The CE mark is for EU directives along with CLASS 8750 81 Medical Electrical Certificate (Certified to US Standards). In accordance with European standards the systems comply with electromagnetic compatibility requirement under EN60601-1, which encompasses the EMC directive.

This certification along with many features of **PowerLab®** systems, such as date and time stamping, automatic storage of experimental settings, and retention of raw data, will assist the laboratory in meeting its "Good Laboratory Practice" requirements. The GLP software feature components facilitate the compliance with GLP and 21 CFR Part 11.
