**Health, Wellbeing and Sports:
Agenda for Youth**

ABOUT AIIMS RISHIKESH

Situated on the bank of the sacred Ganges, amidst mountains and woods in the Yoga Capital of the world Rishikesh, All India Institute of Medical Sciences aims to serve the country by imparting knowledge, providing excellent health-care at affordable cost and coordinating medical research. Going with the mandate of Government of India, the institute is fostering not only allopathy, but also Indian methods through AYUSH. Since inception, AIIMS Rishikesh has actively innovated in curricula and teaching methods thus aspiring towards international standards.

Best possible medical facilities are provided to poorest or poor of the land without any discrimination. Institute is serving them through many departments and specialty clinics. 24x7x365 Emergency services have now bifurcated into separate Trauma Surgery and Emergency Medicine services. Considering the difficult terrain of the state, air-ambulance facility is also available in the institute. Vision of the institute is to achieve global standards in patient care, medical education and excellence in public health as well as research.

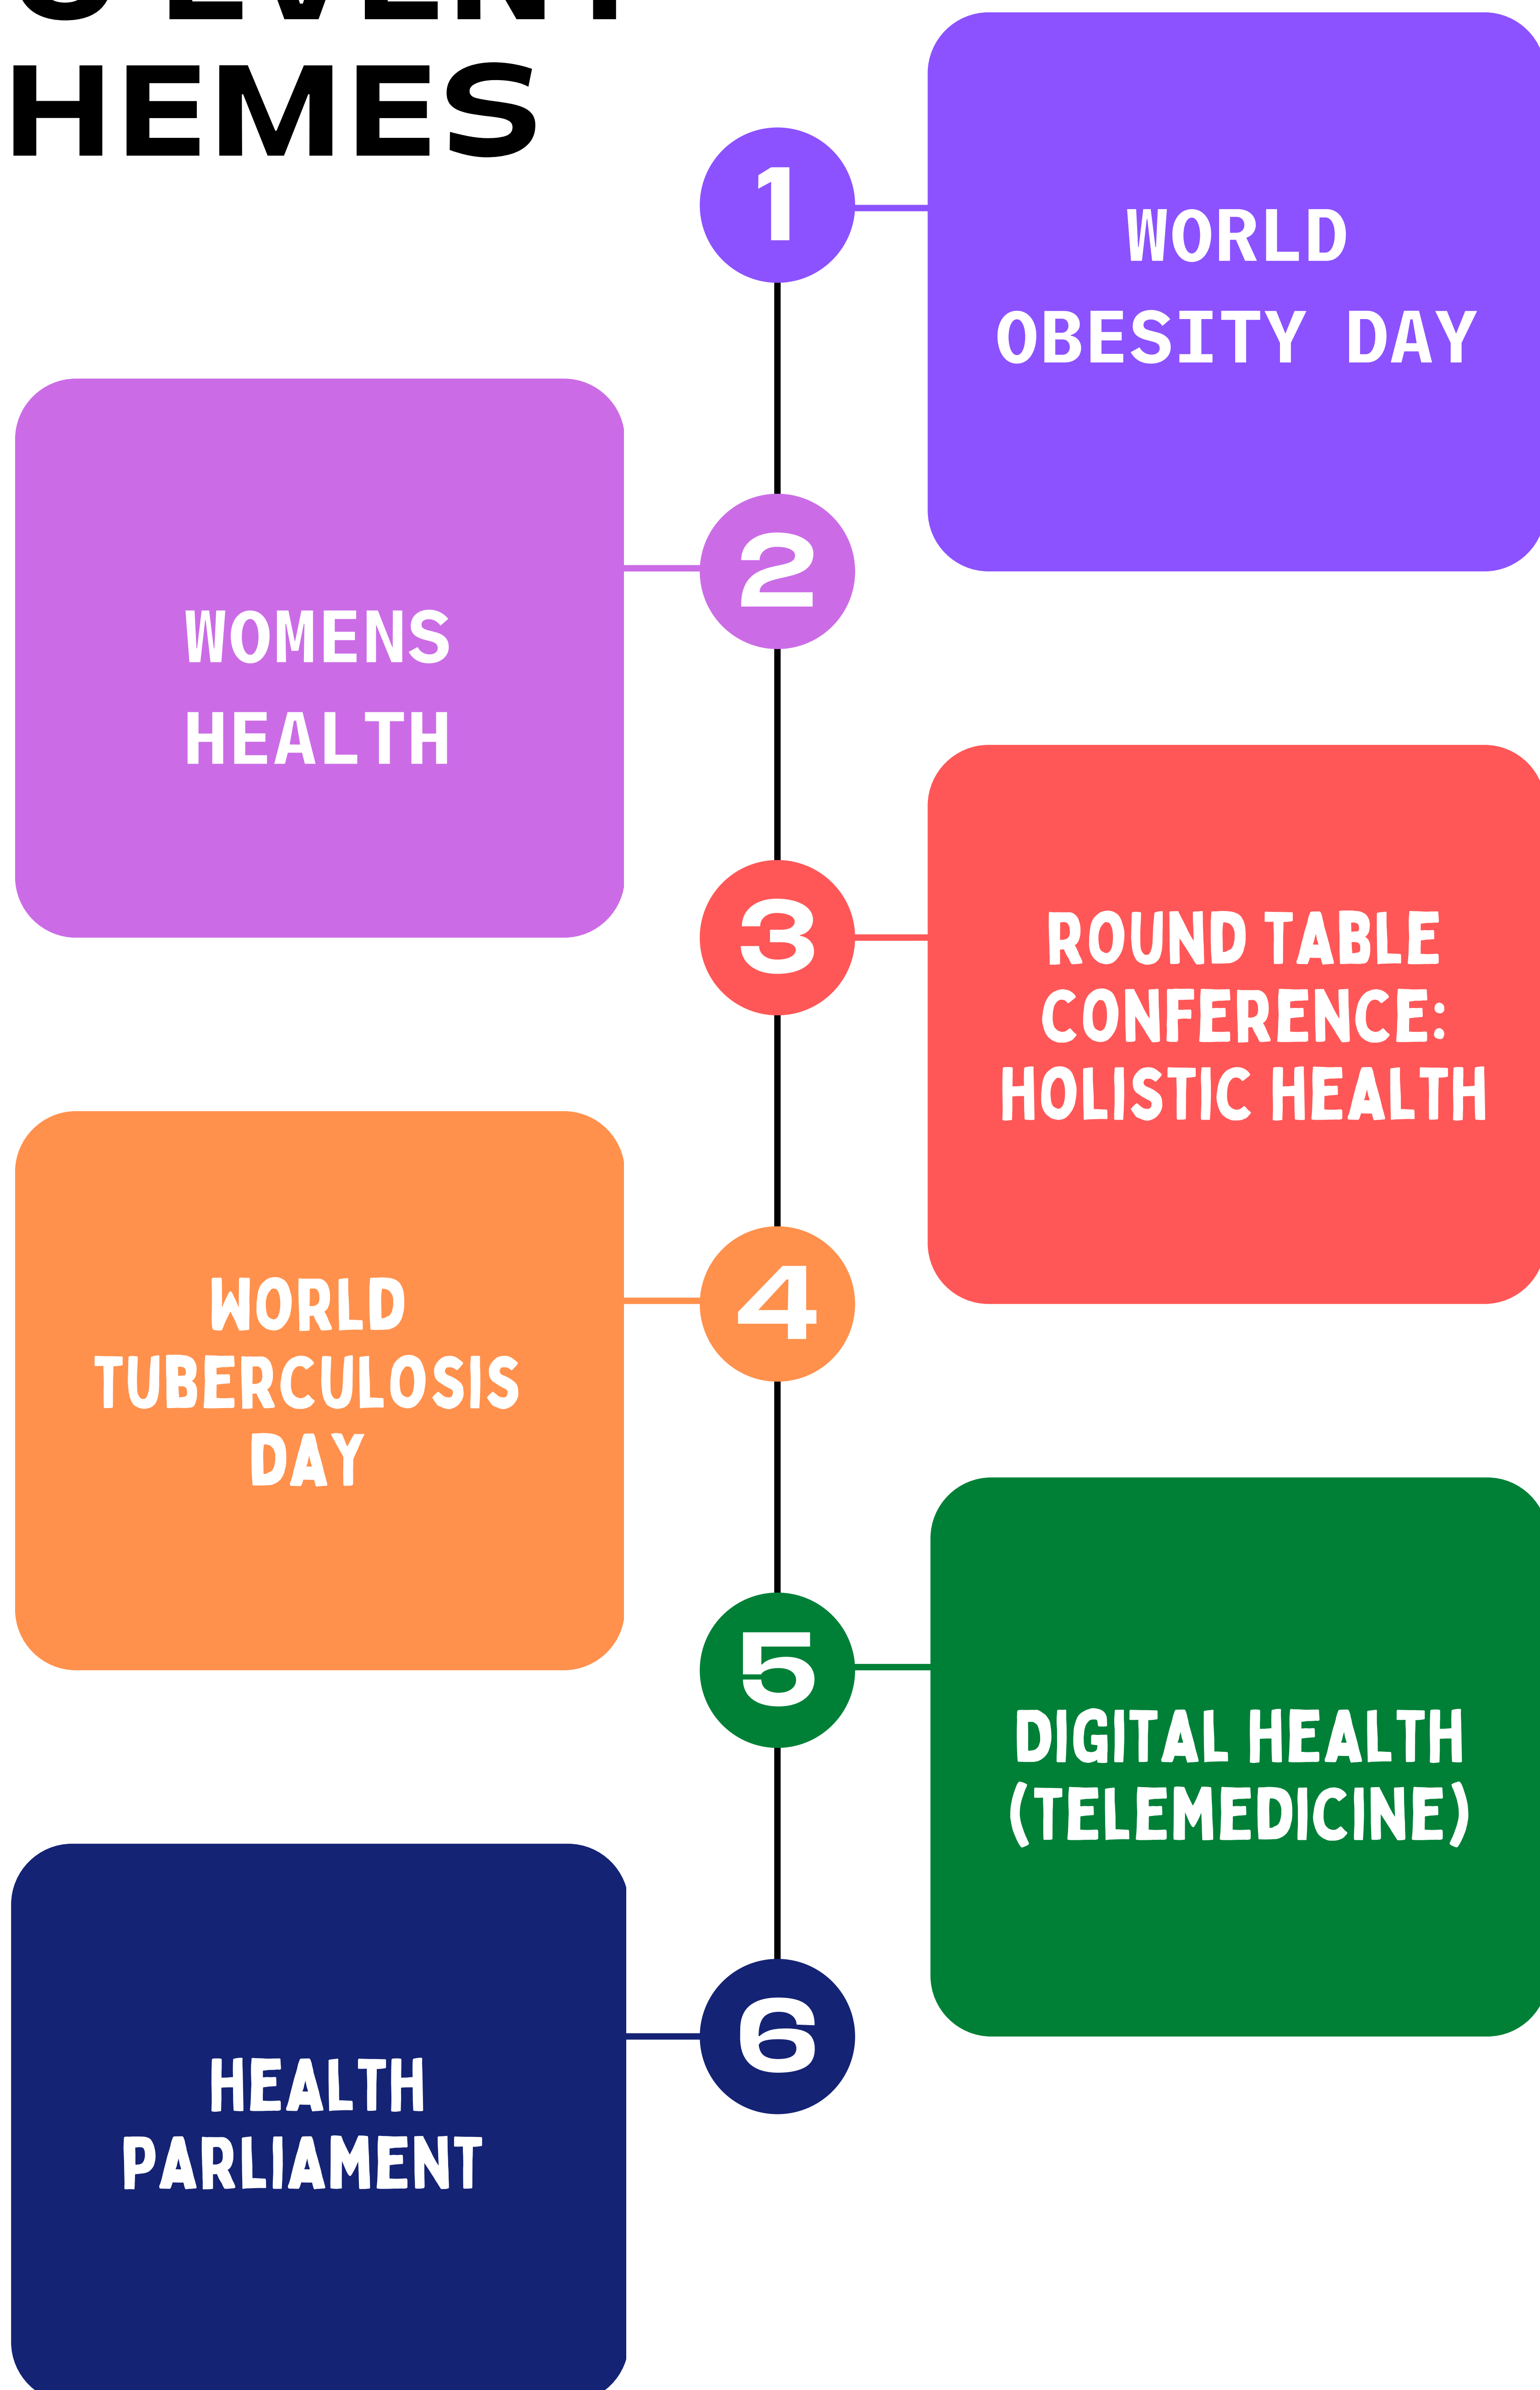

ABOUT YOUTH 20

The Y20 is the official youth engagement group for G20 (Group of 20), the forum for the world's largest and most advanced economies. The Y20 brings together young leaders from across the globe to discuss and debate global challenges. The Y20 encourages youth as future leaders to raise awareness of global issues, exchange ideas, argue, negotiate, and reach consensus.

India is hosting the Y20 summit for the first time. For India, the G20 Presidency marks the beginning of Amritkaal, the 25-year period beginning from the 75th anniversary of its independence on 15 Aug 2022. India is playing a significant role in finding workable solutions at the international level to ensure holistic well-being embodying the idea of Vasudhaiva Kutumbakam. The activities to be undertaken by Y20 during India's presidency will focus on global youth leadership and partnership. Y20 India will act as a platform for dialogue and negotiations among young leaders in India and around the world, who will come together to address the challenges facing our generation and strive to make a positive impact on the world.

Y20 EVENT THEMES

Y20 EVENT THEMES

All India Institute of Medical Sciences (AIIMS) Rishikesh is gearing up to host the **Youth20 (Y20) Group Meet 2023** on **May 5, 2023**. The theme of Y20 meet will be “**Health, Wellbeing & Sports: Agenda for Youth**”. The Y20 Summit is a unique opportunity to allow the youth to provide constructive policy inputs and to utilize the platform to voice their opinions for the world audience. It is one of the eight official engagement groups under the G20 umbrella.

AIIMS Rishikesh with partner institutes and organizations will showcase their contribution through knowledge and innovation initiatives towards comprehensive healthcare, wellbeing and sports as a medicine.

We call for proposals from different institutes and organizations working in healthcare and sports to propose activities in line with the theme. Please refer to the activity Brochure attached. The few best activities will be acknowledged during the Y-20 Consultations meet and in the final report submitted to GoI.

We will provide a backdrop logo & kit for each activity. AIIMS Rishikesh would send a representative/team to observe the activity.

Participating Institutions would also identify **2 young leaders** from the activity and nominate them to attend the Y20 consultations meet at AIIMS Rishikesh on May 5, 2023. We will provide local hospitality for the nominated participants.

Deadline for submission of proposal: **Feb 28, 2023**.
