3. **For equipment, please provide the following information**

Detailed description of the actual use of the equipment
Is the equipment to be used for patient care of research:
If both, state % of time to be used for patient care: % of time to be used for research
Is this/ similar equipment already available in the department?
When purchased?   Cost at that time: Present functional status:
Tests/ procedures done on this equipment in last year:
Revenue generated by this equipment in last year:
If yes, what is the justification for this purchase?
Is this/similar equipment available in any other department in the Institute?
If yes, what is the justification for this purchase?

46537/2022/1

4. For Consumables, please provide following information:

Description of stocks available - First Time Purchase
When was it last purchased?   In what quantity?   Cost;
Source
Test/ procedures done in this period:
Revenue generated in this period:
Average annual consumption
Shelf life
Period for which this purchase will last Number of tests likely to be done with this quantity:

5. For furniture, please provide the following information:

Exact location and use
Existing furniture at that place
Justification for this purchase
Possible sources (name all sources you know) from where item may be obtained (name, address, phone no, fax no, email, etc of contact person)

Call for Objection Notice

File Reference:- E-Office File No: Proc-MEDE/27/2022-20/…… (Proprietary Article) procurement of Accessories for Anaesthesia Workstation (Primus) for the department of Anaesthesiology in AIIMS, Rishikesh.

Subject: "Call for objection" against procurement Accessories for Anaesthesia Workstation (Primus) for the department of Anaesthesiology in AIIMS, Rishikesh.

It is intended to procure Accessories for Anaesthesia Workstation (Primus) on proprietary article basis as per provision of GFR, 2017, section 166, directly from M/s SBL Medical Systems against their proposal submitted, and by accepting M/s. Draeger India PVT. LTD. as the sole manufacturer/Supplier of Accessories for Anaesthesia Workstation (Primus) which satisfies all requirements of being a proprietary item.

Relevant documents are published on Institute website & CPP portal for inviting objections/claims/comments if any, from eligible manufacturer/supplier, before accepting the claim of earlier said manufacturer and accordingly making procurement under proprietary article.

Objections/claims/comments should be sent to the office of Senior Administration Officer, AIIMS Rishikesh in a sealed envelope with above mentioned subject & reference number, or by e-mail at sao@aiimsrishikesh.edu.in within 21 days from the date of publication of this notice i.e. on or before ……../……./2022 up to 05:00 PM.

After due date, it will be assumed that no manufacturer/supplier has any objection/claim against above mentioned equipment article & same will be consider as proprietary article.

(Rajendra Kumar)
Procurement Officer
AIIMS, Rishikesh

GeM Availability Report and Past Transaction Summary

GeM Availability Report and past transaction summary report is generated based on the specifications searched by the Buyer. The specification may be modified appropriately for searching relevant categories on GeM. Buyer may navigate to GeM category page by clicking on the category link to view category specifications and products/services available in the category.

Order Count and Order Value displayed is on a cumulative basis since GeM inception.

1. Search String: SPO2 SENSOR ADULT draeger

Search type: Product

1. There are categories available on GeM matching your requirements (as listed here). You can create a bid on GeM with a product closest matching your required specifications and add additional parameters in specifications through Corrigendum using RMS functionality.
2. If you feel that category TP needs updating you can submit category updating request also through RMS.
3. If you do not want to use any of the above option and want to proceed for procurement outside GeM, please suggest the specifications of the required product for creation of new category on GeM for future procurement.

Search Result: Category available/suggested on GeM but marked as "not matching requirements" by the buyer with undertaking as under:

It is certified that I have thoroughly checked all probable categories suggested by GeM and I am satisfied that the product required is not covered / does not fall in any of the suggested categories and can not be procured under any of these categories even after inclusion of List of Values(LOV) wherever possible in category specifications of suggested categories. It is also certified that the technical specification requirement are such that these can not be covered even by adding specification parameters using ATC in any of the GeM suggested categories. This is a one-time requirement hence new category creation is not proposed / or requirement is recurring but request for new category creation will be submitted separately post generation of GeMARPTS.
