3. **For equipment, please provide the following information**

Detailed description of the actual use of the equipment:

Kaufman Test of Educational Achievement Third Edition (KTEA™-3) is an individually administered battery that provides in-depth assessment and evaluation of key academic skills. This test can be administered to children from 4 years to youths up to 25 years. This valid and reliable psychometric assessment tool will be used for detailed academic

100836/2024/29

performance assessment of children and adolescents aged 4-18 years, in whom poor scholastic performance or intellectual disability is suspected. It will be used in both OPD and IPD settings. Every week, we have at least 50 patients who require such assessment.

Is the equipment to be used for patient care of research: Both patient care and research

If both, state % of time to be used for patient care: 5% of time to be used for research

Is this/ similar equipment already available in the department?

No

When purchased? Cost at that time: Present functional status: Tests/ procedures done on this equipment in last year:

Revenue generated by this equipment in last year:

If yes, what is the justification for this purchase?

Is this/similar equipment available in any other department in the Institute?

No

If yes, what is the justification for this purchase?

4. For Consumables, please provide following information:

Description of stocks available

When was it last purchased?

In what quantity?

Cost;

Source

Test/ procedures done in this period:

Revenue generated in this period:

Average annual consumption

Shelf life

Period for which this purchase will last Number of tests likely to be done with this quantity:

5. For furniture, please provide the following information:

Exact location and use

Existing furniture at that place

Justification for this purchase

Possible sources (name all sources you know) from where item may be obtained (name, address, phone no, fax no, email, etc of contact person)
