Proprietary Certificate

To Whom it may Concern:

“Teleflex Medical”, having office at 3015 Carrington Mill Blvd., Morrisville, NC 27560, USA hereby confirms and verifies that following:

1. “Teleflex Medical” owns all the rights title and interest in the patents, trademarks, trade names, inventions, copyrights, know how, trade secrets and any other intellectual property of WECK Horizon, the original Horizon which falls under the Ligation Clip category for use in procedures involving ligation of vessels or tissue structures. Surgeon should apply appropriate size clip for the size of vessel or tissue structures to be ligated so that the clip completely encompasses the vessel or tissue structures. Weck Horizon ligating clips are available in a range of sizes starting from Micro to Large for ligating different vessel sizes. Horizon clip applicators are available in open surgery format as well as endoscopic surgery format with different sizes and angles based on surgeon’s preference
2. The following are the details of the /product:
 - Horizon ligating clips are made of Titanium that is inert and MRI Conditional and Compatible
 - Horizon ligating clips have a pre-formed Chevron shape that ensures distal to proximal (Tip to Tip) closure.
 - Horizon ligating clips possess a heart shaped wire design that ensures firm grip on vessels.
 - Horizon ligating clips have transverse grooves that prevent slippage across the vessel.
 - Horizon ligating clip have internal grooves that are sized to reduce clip scissoring
 - Horizon ligating clips have a triangulated cross-section that maximizes surface to surface contact of clip and applier jaw practically eliminating clip fall out
 - Horizon ligating clip applicators are available for both open and endoscopic surgical applications.
 - Horizon ligating clip open applicators open at the box lock for easy, thorough cleaning.
 - Horizon endoscopic clip applicators have a 360-degree rotation knob for ease of use as well as a flush port for cleansing purposes.
3. “Teleflex Medical Pvt. Ltd”, having a Registered office at Smartworks Coworking Space, Golden Millenium, 1st Floor 69/3, 44 Millers Rd, Vasanth Nagar, Bengaluru, Karnataka - 560052, India is a wholly owned, indirect subsidiary of Teleflex Medical USA; and
4. “Teleflex Medical Pvt. Ltd.” is the sole authorized entity to import and market the above referenced product in India.

Yours Faithfully,
