

Report of Orientation Programme for BSc (Hons) Nursing, Batch 2022

A four-day orientation program for B.Sc. (Hons.) Nursing students Batch-2022 was organized by College of Nursing, AIIMS Rishikesh from 29-10-2022 to 02-11-2022. In these four days, students were given orientation of College of Nursing, Hospital Block, Academic Block and Central Library. Further, the subject coordinators oriented students about the curriculum for the whole year. Students were given Basic Life Support (BLS) training also in small groups on 31 October & 1 November, 2022.

A concluding ceremony was organized on 3rd November on completion of the orientation schedule of students. The ceremony started with formal welcome of guests and dignitaries followed by lamp lighting and Saraswati Vandana. Welcome address was delivered by Dr. Smriti Arora, Principal, College of Nursing. Prof Jaya Chaturvedi, Dean Academics addressed the students and motivated the Nursing Students to work as a team with other medical professionals and emphasized that 'Nursing' means 'Caring'. Hon'ble Executive Director & CEO, AIIMS Rishikesh, Prof Meenu Singh also shared words of wisdom with the newly joined students. She congratulated the students for joining the Nursing Profession and mentioned in her address that nursing is a profession which contributes a lot in care of patients. A glimpse of college activities and orientation program of four days was presented by playing a short video. Vote of thanks was delivered by Ms. Rupinder Deol, Program Lead for BSc(Hons) Nursing 1st year. All esteemed dignitaries, Chief Nursing Officer, Head of Departments of Anatomy, Biochemistry, Nursing faculty and Nursing tutors were present during the event. The event concluded with National Anthem.
