INTRODUCTION

An Act of Parliament in 2012 established All India Institute of Medical Sciences (AIIMS) Rishikesh as an autonomous institution of national importance and defined its objectives and functions. By virtue of this Act, Institute grants its own medical degrees and or academic distinctions. Degrees granted by Institute under All India Institute of Medical Sciences Act are recognized medical qualifications for purpose of Indian Medical Council Act and notwithstanding anything contained therein, are deemed to be included in first schedule of that Act, entitling holders to same privileges as those attached to equivalent awards from recognized Universities of India.

AIMS & OBJECTIVES

In field of Post-Doctoral education, most important function of Institute is to provide opportunities to train teachers for medical colleges in country in an atmosphere of research and development. Post-Doctoral students are exposed to newer methods of teaching and given opportunities to actively participate in teaching exercises. Other important objective of Institute is to bring together in one place educational facilities of highest order for training of personnel in all important branches of health activity and to attain self-sufficiency in postgraduate medical education. Educational principles and practices being adopted are best suited to needs of nation.
